

Could you forward this to the ALRC? Sorry for getting to it so late.

There are three items on your agenda tonight that are in my district:

#20 Pasqual's: 21+ Entertainment

#24 Dumpling Haus: (beer/wine)

#38 Luigi's: (beer/wine)

As previously stated I am in support of #24. I support #20, I understand they have addressed the concerns that the MPD had regarding how late they would operate. I also support #38, and I know they also received the support of the Westmorland Neighborhood Association Board (I was at the meeting where they presented the concept).

thanks!
