The Vending Oversight Committee (VOC) is considering changes to the Late Night Vending Ordinance on Wednesday, January 29, 2014. You are receiving this notice because you are a resident, business, or property owner near a location that will be discussed for possible late night vending by the VOC on 1/29.

By way of background, late night vending occurs between the hours of 9:00 PM and 6:00 AM. Vending occurs out of large food carts, as are currently found during the day in Library Mall and around the Capitol Square; and, small push carts. The enclosed memo further describes the changes being suggested by City staff.

Information about the Vending Oversight Committee meeting is as follows:

Wednesday, January 29, 2014 at 5:00 p.m.
Madison Municipal Building, Room 260
215 Martin Luther King, Jr. Blvd.

You will be able to share your comments and questions about these changes with the VOC at this meeting.
