Dear Committee -

The Greater State Street Business Association (GSSBA) supports the approval of the 2023-2024 Mall Concourse Vending Map (Item #74837) as presented on 11-30-22.

These changes help open the space up, encourage visitors to move down State Street and activate a slow block.

The current layout does NOT encourage people to visit other businesses on State Street. Our businesses pay taxes, fees and assessments to create a positive downtown environment yet do not fully benefit from it on Saturdays.

We also think there is plenty of room for everyone on the 100 block right now and that Ian's Pizza and other brick and mortar restaurants and cafes should be able to (and encouraged to) be out on these days too.

Thank you,

Elizabeth Ganser

President
