REASON FOR REQUEST

WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

Bringing the voice of the community most impacted to the table as an active partner in achieving this goal is critically important. The Foundation for Black Women's Wellness is committed to meaningfully engaging African American birthing persons as experts and partners in defining the concerns, framing the opportunities, and identifying and implementing strategies that will improve health outcomes for African American babies. Since 2018, the Dane County Health Council engaged the Foundation for Black Women's Wellness (FFBWW) in the Saving Our Babies consultancy. These funds will allow the FFBWW to continue this crucial work of providing strategic vision, leadership, project management, and coordination to the Health Council.
