Re: 408 W Gorham Street

To ALRC

I would like to introduce myself. I am part owner in the property located at 420 W. Gorham Street. Mrs. Lee has shared with me her plans to renovate the existing Lutheran Social Services building at 408 W. Gorham Street in to a new BBQ restaurant. We have been neighbors for years and have a good working relationship. This is a good use of the property and I wish her success in this endeavor.

Sincerely,

Michael J Fisher
