Dear Madison transportation,  
please put a pedestrian cross walk at this location. because it is a very busy road and if kids and or adults want to walk to the gas station they don't want to risk getting hit by a car. And there parents would be very sad if something happened. It would also create a safer environment and community. when they were just crossing a street. and that is why I want you to put a cross walk there

From Jaidyn T
