RE: The Haze – 106 King Street

Dear Al & UDC members,

I need to inform you of a change to the submittal for consideration by the Urban Design Commission, at the October 7, 2009 meeting for a minor exterior remodeling at 106 King Street.

Mr. Muramoto plans to only paint the building's exterior at this time. The extent of the painting is illustrated on the first sheets of the submittal and will be Sherwin Williams Turkish Coffee as shown. Mr. Muramoto may choose to apply for a façade grant at the beginning of the year and if approved we will utilize these additional funds for a different façade design. Please disregard the rest of this submittal.

Please contact Josh Johnson or me if you have any questions regarding the project.

Sincerely,

Michael Eberle, AIA
