Subject: Windswept Final Plat Review

Upon my review of the Windswept Preliminary Plat submitted to the Town Engineer on October 20, 2014, the following are our comments.

1. Provide existing zoning of lot to the east of the plat, Lot 1 CSM 1183.
2. Note 9 refers to Lot 5 with existing commercial zoning. In the Use Statement, Lot 5 is listed as A1. Please clarify.
3. Note 18, I suggest the last sentence be revised to say: "Said agreement shall be reviewed and placed on file by the Town and City Engineer, referenced on the final plat,..."
4. Note 23, I believe this is intended to say: "the residential lots have one dwelling unit each; one of the agricultural lots currently has two out buildings, the other has none..."
