To whom it may concern,

I applied for a bartending license about four weeks ago. I wasn't sure if I should put pending charges on my report, but I have taken a plea deal on a second OWI that was back in February. I am looking to meet with someone/ get this resolved as soon as possible. My sentencing for the plea deal is set for August 4th, 2025. Thank you again. Timothy Consigny

Re: Application for Change of Conditions to Class B Beer and Wine License Premises: 1331 Greenway Crosse, Madison, WI 53713

Dear Licensing Staff:

I am writing on behalf of my client, Paco's Tacos LLC, doing business as Paco's Tacos (the "Licensee"), which holds a current Class B Beer and Wine License (No. LICLIB-2019-01230) for the premises located at 1331 Greenway Crosse, Madison, WI. As the Licensee's legal counsel, I am submitting this application to request a change in the conditions of the license pursuant to the City of Madison's alcohol licensing, where outlined in the Code of Ordinances Chapter 38 and related guidelines.

The current license conditions restrict alcohol sales to no later than 10:00 pm Sunday through Thursday and midnight on Friday and Saturday. The Licensee seeks to amend these conditions to permit alcohol sales until 2:00 a.m., Monday through Sunday. This proposed extension aligns with permissible hours under Wisconsin Statutes \$ 125.32(3) for Class B retail licenses and is intended to better accommodate the Licensee's restaurant operations for events and retail sales during open hourse, while maintaining compliance with all public safety and nuisance prevention requirements. The Licensee has reviewed the potential impacts on the surrounding community and is committed to responsible service practices, including adherence to beverage server training mandates.

Enclosed for your review and processing are the following:

- •Completed Change of Conditions application form (REV 09/2018), including a description of the proposed changes, licensed premises information, company details, and authorized signature.
- •Check in the amount of \$25.00 payable to the City of Madison to cover the application fee (shall be mailed or paid by phone if the City prefers).
- •Copy of the Licensee's current Wisconsin Seller's Permit certificate.

Upon acceptance, please process this application according with your regular procedures. Please notify me of receipt, and issue the appropriate set of instructions for next steps.

Should you require any further information, clarification, or additional documentation to complete the processing of this application, please do not hesitate to contact me directly at 608-501-2759 or ryan@assuritylegal.com. We appreciate your assistance in this matter and look forward to a timely resolution.

Very Sincerely,

From: <u>Vidaver, Regina</u>

Subject: Item 20 7/16 meeting

Date: Tuesday, July 15, 2025 7:48:01 PM

Hello,

I am commenting on Item 20, legistar 88503, a new license in my district.

My understanding is this site already sells beer, and is only seeking to add wine to their license. Although this is already a highly dense area for alcohol access, I don't believe the addition of wine sales at this site substantially increases risk of negative consequences to the neighborhood.

However, I do want to note this site is directly adjacent to a housing complex that serves a number of vulnerable members of our community, including young children, so I want to be clear that this site needs to have staff who are trained and devoted to selling only to people of legal age who are not visibly inebriated, and commits to not selling outside of the legal hours of Class A sales. I realize these are requirements of all sellers, but want to emphasize the importance of these rules being closely followed at this site.

Thank you.

Best wishes,
Regina Vidaver, District 5 Alder

Little Palace Business Plan

EXECUTIVE SUMMARY

"Little Palace" is an American-Chinese restaurant that revisits the era when Chinese cuisine and dining was viewed as a celebratory event. The aesthetics are modernized with nods to the previous styles of this canon. We have taken a playful approach to the service and menu to rebirth some lost gems while rebooting some known classic dishes that are as American as apple pie. We will be offering Tiki-centric alcoholic beverages that have been synonymous with American-Chinese fare.

Little Palace will be operating in the Capitol Neighborhood where we will serve professionals, creatives, families, and with a target audience of 18 to 55. We have chosen this Capitol Neighborhood because we recognize that Madison is in need of more diversity in business ownership and we want to participate in the more visible parts of this city. We believe that the transplants to this city will be coming from more diverse spaces and we want to be prepared to welcome those that expect that.

We will be focusing on packaging and more social media marketing due to opening during a pandemic where occupancy is fluctuating. We know that diner's confidence may be wavering during this time, so communication and service will be a greater focus to ensure consumer satisfaction.

Little Palace will have price points that can offer accessibility to any budget. We will also offer specialty cuisines with higher price points and limited availability. We will be able to accommodate those who work around the square that need a quick lunch, a post-work drink and snack, or a family outing to celebrate.

Our playful presentation, price point, and quality of service will be our formula to engage and retain customers for repeat business and word-of-mouth referrals.

INDUSTRY OVERVIEW

Chinese and American-Chinese restaurants have suffered a blow in 2020 due to the pandemic and partly to racism. While restaurants nationwide have lost business owing to lockdowns, Chinese restaurants have been among the hardest hit. An April 2020 study conducted by the data subscription service Womply found that over half of them had stopped taking debit and credit card transactions during the pandemic, indicating closed operations—more than any other type of establishment. (The next most closed being "sandwich and deli concepts at 23%" According to Yelp data, half of the worst days for Chinese restaurant searches in the U.S. over the past year occurred since the coronavirus broke out.)

Many restaurants also struggled because Chinese-Americans, who made up the majority of their clientele, started avoiding restaurants as they were fearful of large gatherings. Chinese restaurants have been consistently declining in the country's Top 20 cities. 7% nationwide drops from 2014 to 2018. Part of it is a generational shift—the kids doing homework behind the counter have grown up and don't want to, or need to, take over the family business.

Old-school Chinese restaurants—the mom-and-pop shops marked by General Tso's chicken, happy-face plastic takeout bags, and lazy Susans—have been used to orders placed over the phone, not through the tech-savvy solutions accelerated by social distancing. They may be less used to third-party apps such Grubhub or Uber Eats. They may be less likely to have a major presence on social media. The blow to Chinese restaurants during the coronavirus pandemic is less of a sudden hit and more the result of years of pummeling.

In light of this, many can see this as a bad business opportunity due to the decline in figures over the last few years. However, we see this as an opening to enter the space to fill voids that will always desire one of America's iconic comfort foods.

We are the children that have grown up and want to take over the family business. We are generation that is afforded the privilege to not have to operate "old-school" and be able to modernize and engage the business with technology and culture. If anything, this opportunity feels more like an obligation of legacy rather that just a way to make a buck.

Market Analysis

Our market size of the Madison metro area is 674,000 with a median age of 31 and an average household income of \$87,055. Approximately 51% of the population is female. Racial demographics: White 78.5%, Asian 8.9%, Black 7.0%, Other 5.5%.

Trends in Target Market

With the tech industry on the rise in Madison, the average medium income is increasing and the demographics of young professionals with disposable income are growing. The city is attracting consumers from various parts of the US where there is more diversity and will have a broader palette than the offerings available in a Germanic state and city like Madison. There has been a 13% increase in population since the previous census in 2010.

OSTERIA NOVELLA BUSINESS PLAN

VISION

Osteria Novella will feature traditional Italian pasta and pizza with a focus on southern Italian coastal cuisine. Fresh pasta made daily, house-made sourdough pizza, and traditional limoncello using classic imported Italian ingredients combined with using locally sourced produce from the Madison area will dominate the menu. Chef Giovanni brings over 20 years of experience in Italian kitchens, opening multiple locations across the country. Evan Ackers brings years of front of house experience using strong Italian hospitality values; warmth, elegance, and storytelling, having opened multiple restaurants across the state. Osteria Novella will be a refined yet approachable Italian restaurant that celebrates coastal Southern Italy, citrus-forward cuisine, and artisanal spirits. Chef Novella, known for his signature limoncello and modern Italian interpretations, brings his culinary heritage and signature liqueur to life in a vibrant dining experience.

BUSINESS PLAN/MISSION STATEMENT

At Osteria Novella, Giovanni blends timeless Italian flavors with a modern chef's instinct using handmade pastas, line-caught seafood, and local, seasonal produce. Oste, meaning 'host' in Italian, will be a focus of Osteria Novella. We will provide a welcoming, neighborhood friendly atmosphere for upscale and casual diners alike. Osteria Novella will provide a variety of service styles catered to each specific diner. The Osteria is for discerning diners who crave more than a meal – they want a story. The role of General Manager will be filled by Evan Ackers. He will operate front of house operations, the bar program, hiring, and guest interactions. A startup budget, monthly operating costs, and revenue projections are attached.

LEGAL AND FINANCIAL SETUP

Osteria Novella will operate under the Ciao Guys LLC with Giovanni Novella and Evan Ackers as co-owners. Novella Limoncello and Ciao Guys LLC are trademarked. The domain for Osteria Novella and social media accounts are secured and activated. The business license, food service permit, and liquor license are currently in process with the city. Health department inspection and building compliance checks will commence with the start of construction.

LOCATION

Osteria Novella will operate at 2903 University Avenue, formerly Novanta Neapolitan restaurant. Providing a variety of dining experiences will help Osteria Novella cater to the upscale diners from the Shorewood Hills neighborhood and nearby hospitals as well as a more casual dining experience for locals and medical and other university students. With the high visibility on the corner of University Avenue and Ridge Street along with north, east, and south facing windows, a well-lit, Southern Italian inspired design facing University Avenue will be ideal.

DESIGN & BRANDING

The interior of Osteria Novella will be highlighted by a well lit bar immediately upon entry along with a partially open kitchen design with visibility for guests. The bar will include a limoncello display while the kitchen will feature a Neapolitan pizza oven, pasta maker and cooker, and garmo station. White stucco, warm yellow, and citrus green accents along with Capri tiles, and lemon trees in terracotta pots will decorate the interior of the restaurant. The logo will pay homage to the Novella Limoncello brand. The website will include menus, reservations, chef and owner bios, and press features.

STAFFING & TRAINING

Staffing will begin approximately 2 months prior to the open date with training starting 2 weeks prior to initial soft opening dates. Front of house roles will be filled by General Manager Evan Ackers while back of house roles will be filled by Chef Giovanni Novella. Initially, Osteria Novella will operate without the roles of sous chef, assistant general manager, or bar manager, with the opportunity to fill these roles as the business grows.

TECH CONTRACTS

POS systems, reservations systems, online ordering contractors, and other operating systems contracts will be filled upon the finalization of the lease.

MARKETING & PR

Chef Giovanni will highlight the brand. Promoting his story, accolades, prior restaurant experience, and limoncello will be the primary focus of the marketing and branding. The soft opening will include a friends and family night along with relevant press, influencers, and neighbors. A contractor will be hired to create the website and social media accounts as the url and social media handles are already secured. With Chef Giovanni's and General Manager Evan's Best of Madison accolades and influencer relations, public relations will be a strong suit.

This plan is prepared to obtain consideration for the initial launch and licensing of: **Bernell's**

Bernell's is more than a bar - it's a legacy and a movement. Every game, Every note, and Every bite will tell a story.

Bernell Hooker was a girls' and women's college basketball coach for over 20 years. Additionally, she was the owner and operator of the "Milwaukee Aces", a professional women's basketball team. Also, she founded IOU Sports, a non-profit organization that teaches the business of sports to young women. Bernell's will celebrate her vision and impact on women's sports.

Imagine a place where the energy of women's sports meets the soul of food and the sounds of blues. A place where fans cheer, musicians groove, and the kitchen serves up unforgettable flavors. Not just a bar-it's a cultural hub, a celebration of empowerment, rhythm, and community. Launching the first women-centered sports bar will be a vibrant venue that champions female athletes and showcases local talent, while serving a unique menu in a soulful atmosphere..

Management Summary – Bernell's will be a premium community alcohol establishment, located at 2513 Seiferth Rd. in Madison, Wisconsin. It will bring a presence of success and responsibility to the alcohol service industry, while also providing Madison residents, students, visitors, and businesses with a unique and welcome alternative. Bernell's will cater to and market to clientele with an excellent customer satisfaction mission, offering a unique opportunity to showcase and celebrate women's sporting events, memorabilia, and female athletes in a welcoming atmosphere where fans can gather and enjoy the games. Screens will be distinct from traditional sports bars by prioritizing and broadcasting women's sports, which is often underrepresented in traditional sports media and venues. Bernell's additionally will feature screens dedicated to all sports, fostering a sense of community among fans who share a passion for the games, particularly women, who may have felt excluded from traditional sports viewing. Bernell's will be an inviting sports establishment.

In early 2025, six women's sports bars opened in the USA. However, it is projected that this number will quadruple by the end of the year, reflecting a significant increase in the establishment of these venues across the country. The bars are being opened in various regions, including major cities and smaller towns, to cater to the growing demand for a sports bar experience that is inclusive and welcoming to women's sports fans. The need for such a quality establishment has been shown

by continuing to exceed expectations, now reaching an all-time high, in sports bars across America, opening with a mission to promote, amplify, and, most importantly, stream women's sports. Bernell's would further distinguish itself with quality service, along with striving to be a step ahead of the competition and accessible to all.

It will maintain a clean, low-key atmosphere for great service, quality drinks and food, with an atmosphere of belonging. There will be a deliberate interior design that will prove compatible with sports viewing, drinks, music, and food enthusiasts in a conversational setting. The target population is, first, women's sports fans and live blues enthusiasts, with great food and catering to their social needs with great concern.

Bernell's will be managed by retired Dane County Social Worker, and current Stage Manager of Dane Dances, and previous Adair's Lounge Owner, Rita Adair. She will solicit individuals and organizations to promote this atmosphere and ensure a clientele base. The working collaboration between the City of Madison, elected officials, business owners, UW Madison, and residents will prove to ensure that Bernell's will become a staple for socializing, sports viewing, business, and live music events.

Objectives: The main objectives of the venue:

- To offer viewership of women's sports, live music, and excellent food selections.
- To relaunch the venue with a soft opening event in the fall of 2025.
- To maintain tight control of cost, operations, and cash flow through diligent management. Having responsible licensing, accounting, staffing, and customer satisfaction.

Keys to success:

- Provide excellent service that leaves an impression.
- Consistent atmosphere and product quality.
- Management of facility and security to enable upward growth.

Business Summary: The key elements of Bernell's are:

• Great Collaboration between the City of Madison, Neighboring businesses, UW Women's Athletic Department & local Athletic Groups, Madison Music enthusiasts, along with Bernell's patrons. Will offer professional staff, women's sports viewership, great drinks, delicious food, live music, and a unique atmosphere.

A distinctive design: The features will have the characteristics of a comfortable and relaxed atmosphere to accommodate 100 guests. The lounge will present a décor offering comfortable stools, tables, and chairs.

Location, location, location. This cannot be underestimated. Bernell's location offers a distinct area of outside live music and gathering space, without the noise concerns for residents, along with being very accessible off Stoughton Road and Hwy 151. It is a business development area with possibilities for growth. Bernell's will be a stable force for a successful Madison business.

Bernell's will be located at 2315 Seiferth Road, with a secluded side and back entrance that provides a less visible, but very accessible atmosphere. There is an intimate surrounding with ample parking. This location is next to an automotive and machine care facility, and across the street from other successful businesses. It surrounds blocks of businesses, without personal residents.

The area brings together many employees, but also attracts thousands of visitors traveling on Hwy 151 and Stoughton Road. Bernell's will act as a staging area for activities throughout the year, such as highlighted sporting events (viewing and visiting athletics), Weekly Live Blues/Jazz Music, Bernell's Summer Music Festival, Specialty Food Experiences, and other events that afford a primary market population to Bernell's.

The area has experienced a boom period over the past ten years, with the area having spaces vacant, to having all spaces leased and thriving with the promise to bring more business, and visitors to Madison. This growth has enhanced the customer base, which is looking for a variety of places to go for drinks.

Bernell's will establish itself as a mecca of businesses, with a strong, diverse economy in the area. Ms. Adair will spend time with business owners and within the immediate area to familiarize them with her and ask for support.

Bernell's cannot be underestimated in location, for people wanting to relax and gather. In addition, the location offers the advantage of familiarity to many people who have a long history of supporting the previous bar business, and there is value and potential in that fact, showing a dedication to persons of many lifestyles, area professionals, blue collar workers, and ethic cultures. These characteristics lend to a friendly atmosphere for the acceptance of differences and respect, without a history of problems that have plagued other areas and bar owners.

Bernell's will have a great sense of responsibility to the Madison area and businesses. Ms. Adair looks forward to managing Bernell's.

Ms. Adair is deliberate and engaging by design. She has experience in bartending, business management, managing significant-sized budgets, personnel management, customer service, retail, relationship building, fundraising, community work, community policing, and a strong sense of responsibility and dedication. Ms. Adair has shown her employer and the Madison community her personal strengths and commitments. She is dedicated, persistent, and can make decisions and the ability to manage both employees and customers to remain profitable and solvent. Numerous awards and certificates, along with numerous individuals who have committed themselves to being a part of her community projects, have recognized her. The connections to Madison, Dane County, and many organizations will only enhance her customer base.

Ms. Adair has dealt with varied personalities in her given profession and has a great understanding of differences and the diverse populations that have migrated to the Madison Area. As a public servant, she has been challenged in working and addressing the needs of this diverse culture and feels the skills that she has gained will make the business an effective and efficient success. She realizes that this will take time and dedication. She knows that her professional commitments will provide satisfied service and a professional customer base, socializing in an atmosphere that provides great sports viewing, good food, and good drinks, and socializing.

Management- Rita Adair will be the manager. She will hire bartenders, cooks, and others as needed. Rita will be involved in all aspects of the business, with management staffing that will ensure hands-on

operations and overseeing of all aspects of the business. She is prepared to meet this challenge and engaged Bernell's direction and supervision to enhance the success.

Quality Service & Training- All would be lost without paying special attention to the level of service quality. Employees will be trained by Ms. Adair in the areas of; specialty drinks, maximizing service, ethical communications, interpersonal communications skills, time management, and conflict resolution.

Entertainment will include Live bands, a jukebox, and possible occasional karaoke. Ms. Adair will be involved in all music considerations and selections, with the highest responsibility for a successful atmosphere. Ms. Adair is a vocalist and very connected to many individuals in the local music scene. Her style and experience will only lend to wonderful evenings of music and drinks.

Competitive Edge- The casual guest understands the concept of quality service and entertainment, and is willing to pay for it when it is given effectively. Bernell's competition lies mainly with other casual facilities and less with conventional and chain entertainment establishments. We need to effectively compete with the widely held idea that you can't get good service anymore by maintaining the idea that being out can be a great time with great service. Consumers will think of atmosphere, price, and quality, respectively.

• A Soft Opening event will be held, inviting local businesses, Madison Police, Neighborhood Associations, and local politicians to have the opportunity to meet Ms. Adair and the staff for developing an ongoing relationship of stewardship.

At the helm of our kitchen is *Chef Glenda, owner of Woo's Food for the Soul,* whose culinary reputation is built on comfort, flavor, and authenticity. Her signature dishes—like shrimp & grits, chicken & waffles, and Woo's Signature Burger—bring a soulful twist to classic favorites. Bernell's will offer a welcoming space where guests can enjoy bold, Southern-inspired cuisine, live music, and game-day energy in a stylish yet down-to-earth atmosphere.

Bernell's will feature: Weekend brunch specials and Fish Fry Fridays

A menu of affordable, high-quality comfort food. We're excited to bring this unique concept to life and contribute to the local dining and entertainment scene.
