Dear Urban Design Commission:

At the January 24, 2022 meeting of the Marquette Neighborhood Association Board of Directors a resolution passed to support the proposal by Matt and Curt Brink for the next phase of the Archipelago Village project on the 900 block of East Main Street.

We are amenable to the changes the developers had to make to the project in light of Covid, primarily the shift in percentage of residential to retail. Our board is in favor of the shared parking ramp which will provide paid availability to locals after the end of business day, the purple roof features and the handsome and historically respectful façade. A motion to support the project as presented was supported unanimously with a vote of 11 yea, 0 nay, and 1 abstaining.

We look forward to continuing to work with Messrs. Brink on additional aspects of this project as it moves forward.

Sincerely,

Jen Plants  
MNA President
