Re: 1323 Spaight Street, Certificate of Appropriateness

Mr. Chancellor,

At its meeting on August 12, 2013, the Madison Landmarks Commission reviewed, in accordance with the Madison General Ordinances pertaining to provisions of the Landmarks Ordinance, your plans to remove an existing detached garage structure and construct new garage on the property located at 1323 Spaight Street in the Third Lake Ridge Historic District. The Landmarks Commission voted to approve the issuance of a Certificate of Appropriateness for the work as submitted.

This letter will serve as the "Certificate of Appropriateness" for the addition project. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, Lower Level Suite LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.

Please note that any design changes from the plans submitted and the additional information provided to the Landmarks Commission must receive approval by the Landmarks Commission, or staff designee, prior to the issuance of the building permit.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$250 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Sec. 33.19).

If you have any questions, please call me at 266-6552.

Sincerely,
