RE: 2026 Liquor License Renewal Separations: Cielo Night Club, 118 State Street
Plus Entertainment License

The Cielo liquor license is separated because the City filed for revocation of Cielo's entertainment license. Cielo opened for business in late September 2025 and shortly after they opened the residential tenants next door at 114 State Street began to complain about the noise. There have been no other issues associated with the establishment other than the noise nuisance to the residents next door. The entertainment license revocation complaint contains background information and detail regarding the noise nuisance. It is important to note that revocation of the entertainment license can occur with no impact to the liquor license.
