..Title

Amending Section 9.12 of the Madison General Ordinances to modify the composition of the Vending Oversight Committee to include non-voting Technical Advisors.

..Body

DRAFTER'S ANALYSIS: The purpose of this ordinance is to restructure the Vending Oversight Committee to allow licensed vendors to serve as non-voting technical advisors to the VOC. The non-voting status of these advisors would allow them to participate in discussions and advise the VOC without creating potential conflicts of interest or violations of sec. 3.47 (the ethics ordinance.) Under this amendment, the non-voting technical advisors would sit at the table and participate in discussions, but would not vote and are not counted for purposes of a quorum. Because one of the VOC's duties is to impose suspensions and revocations of vending licenses, any vendor who serves in a technical advisor position will be automatically removed from that position if the VOC takes any final adverse action against their license.

Appointments to the technical advisor positions can take place upon the enactment of this ordinance. Any current member of the VOC who qualifies for the technical advisor position will be appointed upon the enactment date of this ordinance, rather than waiting to fill out their term (this is intended to supercede sec. 3.27(f)1. which states that an ordinance affecting the term or qualifications of committee members shall not affect the remainder of an appointee's term.)

The Common Council of the City of Madison do hereby ordain as follows:

Section 9.12 entitled "Vending Oversight Committee" is amended to read as follows:

"9.12 VENDING OVERSIGHT COMMITTEE

- (1) Creation. The Common Council finds that it is in the public interest, effective May 31, 1998, that the Mall/Concourse Operating Committee, created by Substitute Resolution 44,669 adopted June 7, 1988, be dissolved. In place of the Mall/Concourse Operating Committee, there is hereby created for the City of Madison a Vending Oversight Committee ("VOC").
- (2) Composition, Appointments and Terms. The Vending Oversight Committee shall consist of ~~seven~~ five (7-5) voting members, and one (1) alternate voting member, and up to four (4) non-voting, technical advisors, as follows:

Technical advisors shall serve a regular term of appointment, may sit at the table and participate in discussion of all matters before the VOC (except a matter affecting that vendor's license under sec. 9.13), but shall not vote on any matters. Technical advisors may be appointed to subcommittees but only in their non-voting, advisory capacity. If a technical advisor's vending license is suspended, revoked, non-renewed or other adverse action is taken against the license, s/he shall not sit at the table or participate in any discussions at the meeting(s) at which the license is scheduled for action, and s/he shall lose their VOC appointment and the position is deemed vacated as of the date of the VOC's decision taking action against the license. If no action is taken against the license, the vendor may remain in his/her position as technical advisor.

- (c) The Greater State Street Business Association ("GSSBA") or successor organization may recommended a voting member or a non-voting technical advisor, subject to sub. (2) (d) below.
~~The remaining five (5) members shall be citizens, one (1) of whom is recommended by the Greater State Street Business Association or successor organization, and one (1) of whom is a resident of the State Street area and eligible to vote in the City.~~

- (4) Duties and Responsibilities.

 - (d) Duties of Non-voting Technical Advisors. Participate in discussions and provide technical advice and input to the VOC, as described in sub. (2)(b).

Such rules may include provision for delegation of the powers and responsibilities of the ~~Committee~~ VOC to a Subcommittee or Subcommittees composed exclusively of ~~Committee~~ VOC members. ~~At any meeting in which a member has a personal or financial interest in the issue being discussed, that member shall not participate in discussion nor vote concerning that issue and that member shall not be counted in determining a quorum.~~
- (6) Compensation. Members of the ~~Committee~~ VOC shall serve without compensation."
