Apple Hospitality Group, LLC ("AHG") is exploring the possibility to offer the sale of packaged, unopened beer, wine and/or liquor to our carry-out guests for offsite consumption. Such carry-out sales could include (i) sales in which guests enter the restaurant to pay and receive their food and beverage orders and (ii) sales in which guests order via telephone or online for Carside ToGo service where the guest remains in their car, parked only in designated parking stalls, and restaurant staff delivers the ordered food and beverage to and receives payment from the guest in the guest's car. Below is an aerial map that shows highlighted in green the dedicated Carside ToGo parking stalls and the sidewalk path between the restaurant and parking stalls over which our restaurant staff traverse to deliver Carside orders to our guests. AHG has made no decisions in this regard but is amending its Premises Descriptions for all restaurants that offer Carside ToGo service.
