Subject: Old Sauk Road Westfield Road traffic signal

Dear Scott,

My name is Carole Ann Savage and I live at 606A N. Westfield Rd.

Parcel

Number: 0708-231-0093-1

Per our phone conversation this morning

I am writing to voice my opinion of the above stated subject as I am unable to attend the meeting tonight.

Although I do support the possibility of a traffic light at the corner of Old Sauk and Westfield roads, I am not supportive of the means by which it is going to be paid . Condo residents own their units and pay property taxes just as single family units.

It is also my opinion that single family homes, especially with children, would benefit greatly from this light as well, to help as they take children to school, sport activities etc.

I do not mind contributing, however, it might be spread out more fairly.

Thank you again for responding to my call yesterday to your office and taking care of this for me, I appreciate your time and effort.

Sincerely,
Carole Ann Savage
