

PUBLIC NOTICE

This winter and spring, the Wisconsin National Guard, via CableCom LLC, will be installing conduit on the North side of Hoepker Road from STH 51 to Manufactures Rd, and along the East side of Manufactures Rd from Hoepker Rd to Transport Ct.

This conduit will be used primarily for fiber optic cables to enhance the National Guard Communications capabilities. There will be a public hearing to discuss the project before the City of Madison Board of Public Works on Wednesday, February 8, 2012, at 5:30 p.m. in Room 108 of the City-County Building, 210 Martin Luther King Jr. Blvd.

The conduit will primarily be installed by directional boring to reduce the excavation areas. Restoration of any damage within the limits of the road right-of-way will be completed in accordance with the City of Madison's standard specifications. Traffic will not be significantly affected by this work, but there could be some off-peak hour lane closures.

If any persons have additional questions or concerns regarding this project, please call or e-mail Matt Hebel at mhebel@cablecomllc.com and 414-226-2205.
