100 N RANDALL AVE STREET LIGHTING IMPROVEMENT

Dear Property Owner,

There will be a public hearing before the Board of Public Works on April 1, 2009 to create an assessment district to fund the cost of underground streetlighting, at the location shown on the attached drawing. The pole style will be identical to those previously installed to the south of Randall Ct on Randall Avenue. It is the policy of the City of Madison to assess the cost of underground streetlight service to the adjacent property owners. This is a one-time assessment and all maintenance and operating costs, once the streetlights are installed, are paid by the City of Madison. The City of Madison will also pay for the cost of the new pole and fixture. Together with the streetlight changes for the Union South project, all overhead streetlighting on N Randall Ave will be removed this year.

If you have any questions, please call Dan Dettmann (266-6536) in our office.

Sincerely,

David C. Dryer, P.E.
City Traffic Engineer and Parking Manager
