RE: VFW Landscape Plan

Attn: Urban Design Committee

To Whom It May Concern:

Please find the attached revised proposed landscape plan for the above referenced project for your consideration and acceptance.

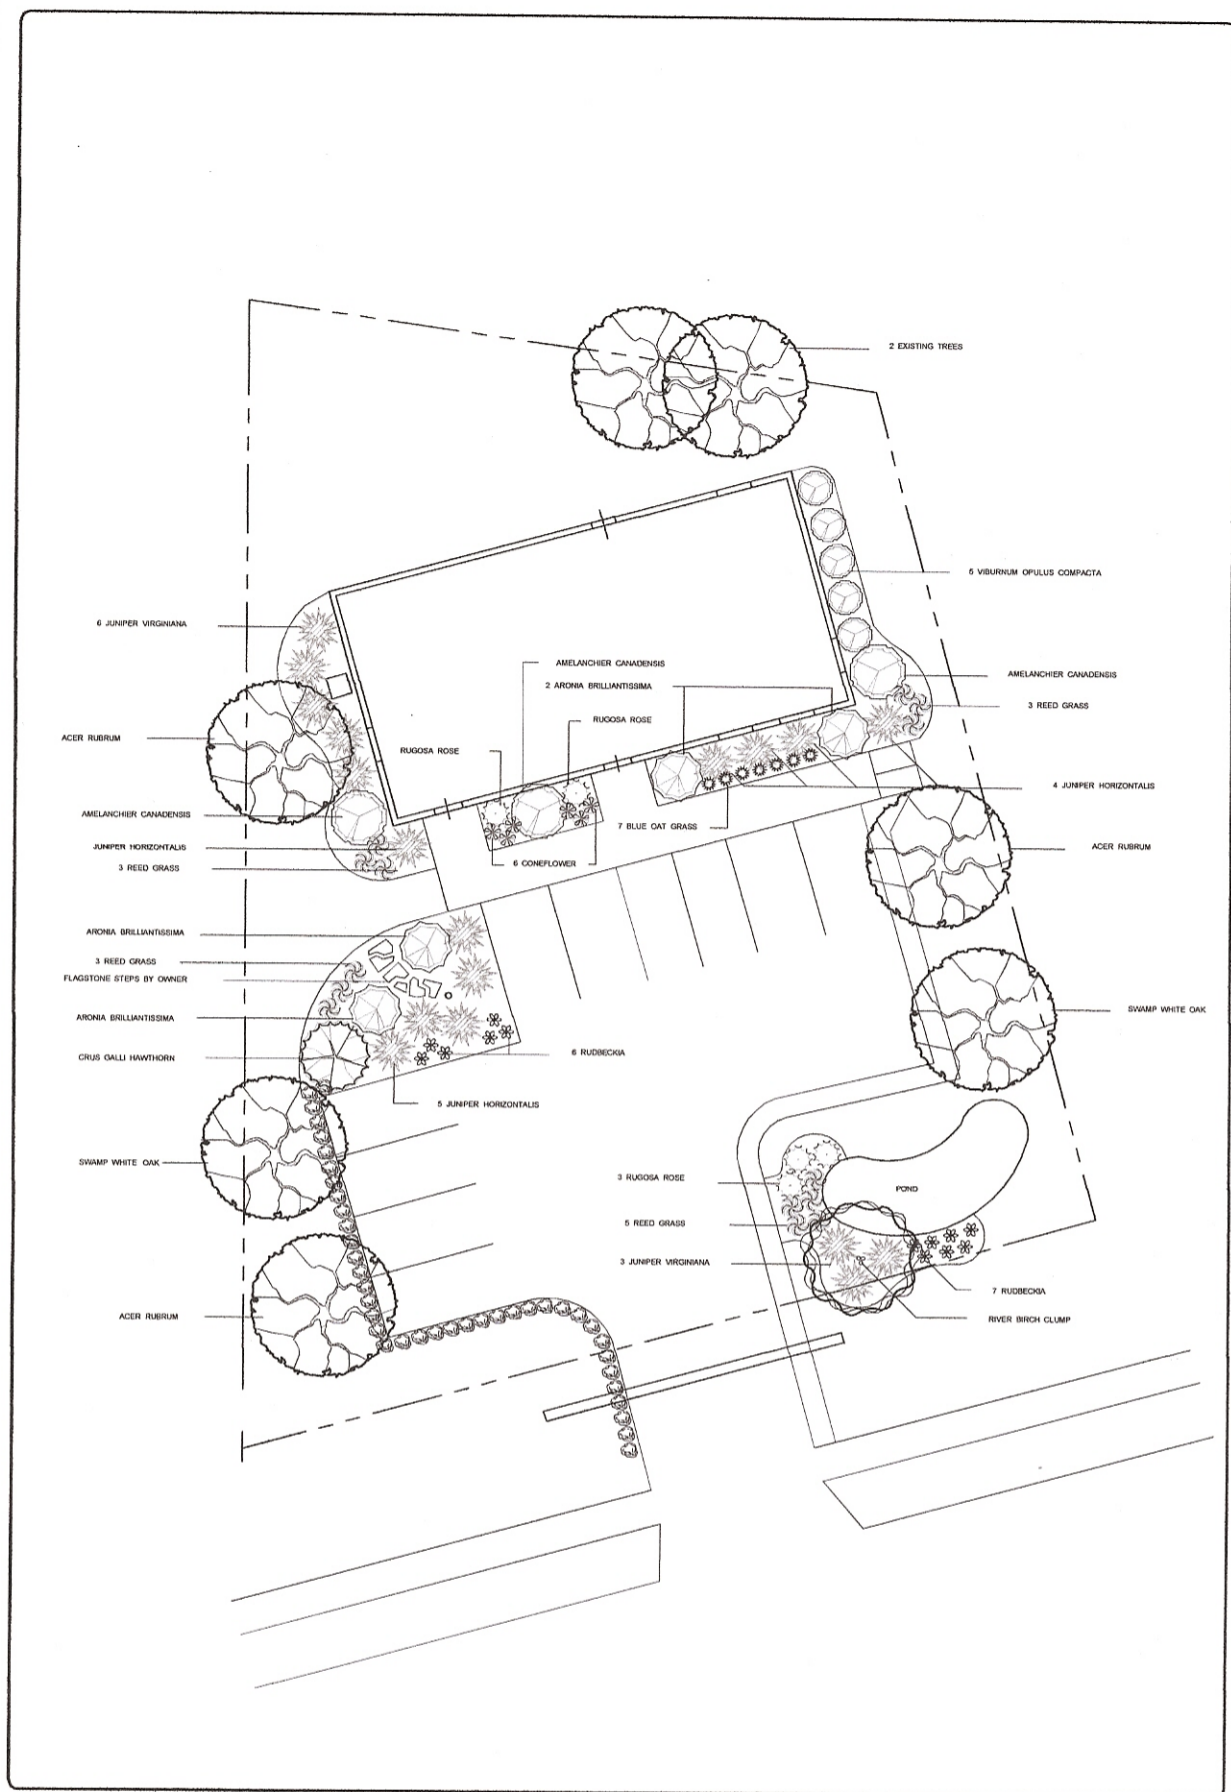

Also note that since there is a larger green space beyond the 4) Admin. Parking Stalls our intent is to design out most or all of the indicated boulder retaining wall as shown on plan. However, if a portion of wall is still required the plan would be to move the wall away from the asphalt approx. 3' and dress that space.

It is also our intent to have the landscape architect from McKay Nursery to attend the 'UDC' meeting to field your concerns.

Thank you in Advance!

Respectfully,

Steven R. Ring
