#44: Prove the need.

Isn't it time we all heal from the vast expenditures, and noise level, & unnecessary construction dust caused by the BRAND of ^{road} salt we use on our streets in the winter? We can and should make better filters for our drainage systems if that's the problem with using dirt-sand. It's part of a viable plan, and is more worthy for me for you to go on this than to try to work something up.

If you think you have to pay me: \$25.00 to address provided.
