# COMMITMENT

**WATER**  
LANTERN FESTIVAL

Water Lantern Festival is dedicated to leaving each community cleaner than when we arrived. We go to great lengths to ensure a cleaner, more beautiful environment.

Our team cleans up all the lanterns following the event and we also pick up any existing trash that may have previously been in or around the water. In addition, the lanterns are made from rice paper and wood so they are eco-friendly. All lanterns are illuminated by a flameless led light.
