
Regarding: **1112 Spaight Street – Third Lake Ridge Historic District –
Demolition of existing residence and construction of new
residence. 6th Ald. District.
(Legistar #23607)
INFORMATIONAL PRESENTATION**

Date: September 19, 2011
Prepared By: Amy Scanlon

General Information:

The Applicant requested an informational appearance before the Landmarks Commission to discuss the proposal to demolish the existing residence and construct a new residence at 1112 Spaight Street which is in the Third Lake Ridge Historic District and the Orton Park National Register Historic District.

Landmarks Ordinance sections:

33.19(5)(c)3 Standards (for demolition) In determining whether to issue a Certificate of Appropriateness for any demolition, the Landmarks Commission shall consider and may give decisive weight to any or all of the following:

- a. Whether the building or structure is of such architectural or historic significance that its demolition would be detrimental to the public interest and contrary to the general welfare of the people of the City and the State;
- b. Whether the building or structure, although not itself a landmark building, contributes to the distinctive architectural or historic character of the District as a whole and therefore should be preserved for the benefit of the people of the City and the State;
- c. Whether demolition of the subject property would be contrary to the purpose and intent of this chapter as set forth in Sec. 33.19 and to the objectives of the historic preservation plan for the applicable district as duly adopted by the Common Council; (*staff note: this section is included below*)
- d. Whether the building or structure is of such old and unusual or uncommon design, texture and/or material that it could not be reproduced or be reproduced only with great difficulty and/or expense;
- e. Whether retention of the building or structure would promote the general welfare of the people of the City and the State by encouraging study of American history, architecture and design or by developing an understanding of American culture and heritage;
- f. Whether the building or structure is in such a deteriorated condition that it is not structurally or economically feasible to preserve or restore it, provided that any hardship or difficulty claimed by the owner which is self-created or which is the result of any failure to maintain the property in good repair cannot qualify as a basis for the issuance of a Certificate of Appropriateness;

- g. Whether any new structure proposed to be constructed or change in use proposed to be made is compatible with the buildings and environment of the district in which the subject property is located.

33.19 (1) Purpose and Intent (of the Landmarks Commission Ordinance) It is hereby declared a matter of public policy that the protection, enhancement, perpetuation and use of improvements of special character or special historical interest or value is a public necessity and is required in the interest of health, prosperity, safety and welfare of the people. The purpose of this section is to:

- (a) Effect and accomplish the protection, enhancement and perpetuation of such improvements and of districts which represent or reflect elements of the City's cultural, social, economic, political and architectural history.
- (b) Safeguard the City's historic and cultural heritage, as embodied and reflected in such landmarks and historic districts.
- (c) Stabilize and improve property values.
- (d) Foster civic pride in the beauty and noble accomplishments of the past.
- (e) Protect and enhance the City's attractions to residents, tourists and visitors, and serve as a support and stimulus to business and industry.
- (f) Strengthen the economy of the City.
- (g) Promote the use of historic districts and landmarks for the education, pleasure and welfare of the people of the City.

(f) Guideline Criteria for new Development in the Third Lake Ridge Historic District - Parcels Zoned for Commercial Use.

1. Any new structures shall be evaluated according to both of the criteria listed in Sec. 33.01(11)(d); that is, compatibility of gross volume and height.
2. The rhythm of solids and voids in the street facade(s) of any new structure shall be compatible with the buildings within its visually related area.
3. The materials used in the street facade(s) of any new structure shall be compatible with those used in the buildings and environment within its visually related area.
4. The design of the roof of any new structure shall be compatible with those of the buildings and environment within its visually related area.
5. The rhythm of building masses and spaces created by the construction of a new structure shall be compatible with the existing rhythm of masses and spaces for those sites within its visually related area.

(h) Guideline Criteria for new Development in the Third Lake Ridge Historic District - Parcels Zoned for Residential Use.

1. Any new structure shall be evaluated according to all criteria listed in Sec. 33.01(11)(f).
2. The directional expression of any new structure shall be compatible with those of the buildings and environment within its visually related area.
3. The materials, patterns and textures of any new structure shall be compatible with those of the buildings and environment within its visually related area.
4. The landscape plan of any new structure shall be compatible with that of the buildings and environment within its visually related area.
