Dear Transportation Commission,

Amongst the slate of proposed Safe Streets projects, I'm most supportive of those that address outstanding safety issues with a demonstrated track record of injury/death.

In particular:

- buffered bike lanes on Aberg btw Packers & Sherman (RIP Tyler Knipfer)
- Rest-in-red at Northport & Kennedy (RIP Derrick Allen)
- lower speed limit on Aberg btw Packers & E Wash (RIP Nicole McDougal, and others)

If there is an opportunity to pursue more projects like these, I would encourage you to do so.

Thank you,

Nick Davies
