Re: Modification to Premise Description

Dear City Clerk:

Ultimate Mart, LLC, the owner and operator of the Pick 'n Save located at 261 Junction Road in Madison (the "Store"), hereby formally requests an amendment to the premise description on the "Class A" license issued to the Store to encompass the ClickList service as described below.

The Store's program named "ClickList" will allow customers to submit an online order for grocery, alcohol and tobacco products. A designated ClickList shopper, which is a Store employee, selects the customer's items and generates a receipt. The customer is then notified that the order is available for pickup. The pickup occurs in the designated parking stalls. The shopper will load the merchandise into the customer's vehicle. If the order contains alcohol or tobacco product, the customer's age will be verified by the shopper prior to the transfer of these products. After the product is loaded into the customer's vehicle, the shopper reenters the store and finalizes the transaction.

The ClickList service will be available to our customers daily between the hours of 8:00 a.m. and 9:00 p.m. There will be approximately 12-14 employees trained to be shoppers. The shoppers will be 18 years of age or older and hold a City issued bartender's license. A site plan identifying the designated ClickList parking stalls is attached for your review.

The current premise description on the license reads as "*Liquor sales area 51,070 square feet; Single story retail store; Separate storage area in back corner of liquor department.*" Please amend the language to read: *Liquor sales area 51,070 square feet; Single story retail store; Separate storage area in back corner of liquor department with exterior parking stalls designated for the merchandise pickup service.*

Please contact me with any questions you may have at 414-231-5978 or tammy.koch@roundys.com.

Very truly yours,
