

COVID-19 Update

Janel Heinrich, Director
Public Health Madison &
Dane County
April 6, 2022

DATA

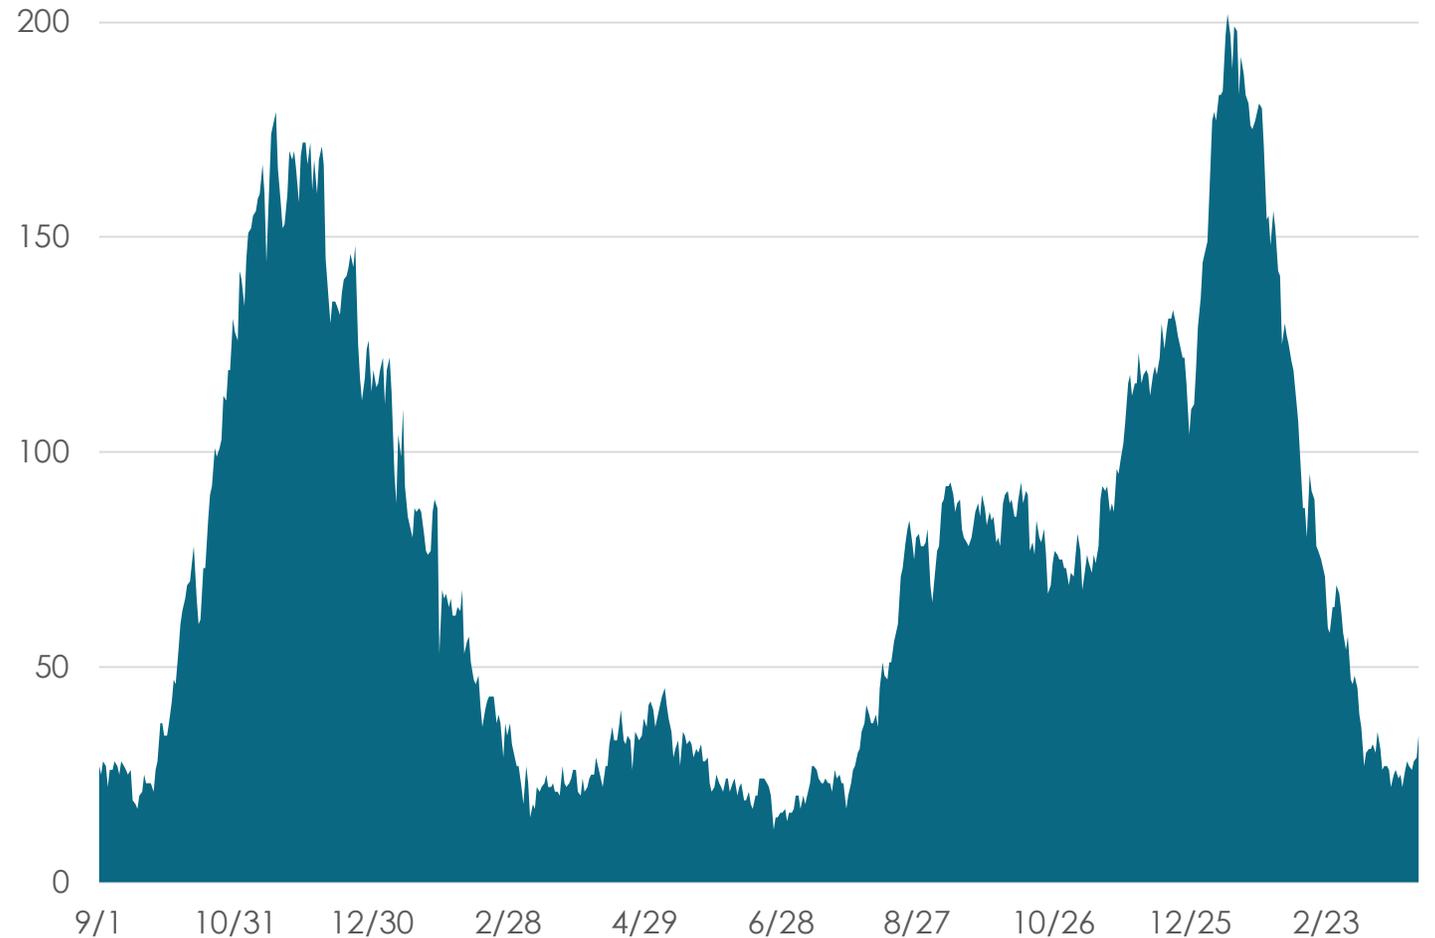

118,700+ people have tested positive for COVID.

Hospitalizations

A month ago, there were 47 people hospitalized.

Today that number is 34.

CDC Community Levels

OLD

Indicator	Low Transmission	Moderate Transmission	Substantial Transmission	High Transmission
Total new cases per 100,000 persons in the past 7 days	0-9 Dane: 0-7.9 cases per day	10-49 Dane: 8-39.9 cases per day	50-99 Dane: 40-78.9 cases per day	≥100 Dane: 79+ cases per day
Percentage of Nucleic Acid Amplification Test (i.e., PCR) results that are positive during the past 7 days	<5.0%	5.0%-7.9%	8.0%-9.9%	≥10.0%

NEW

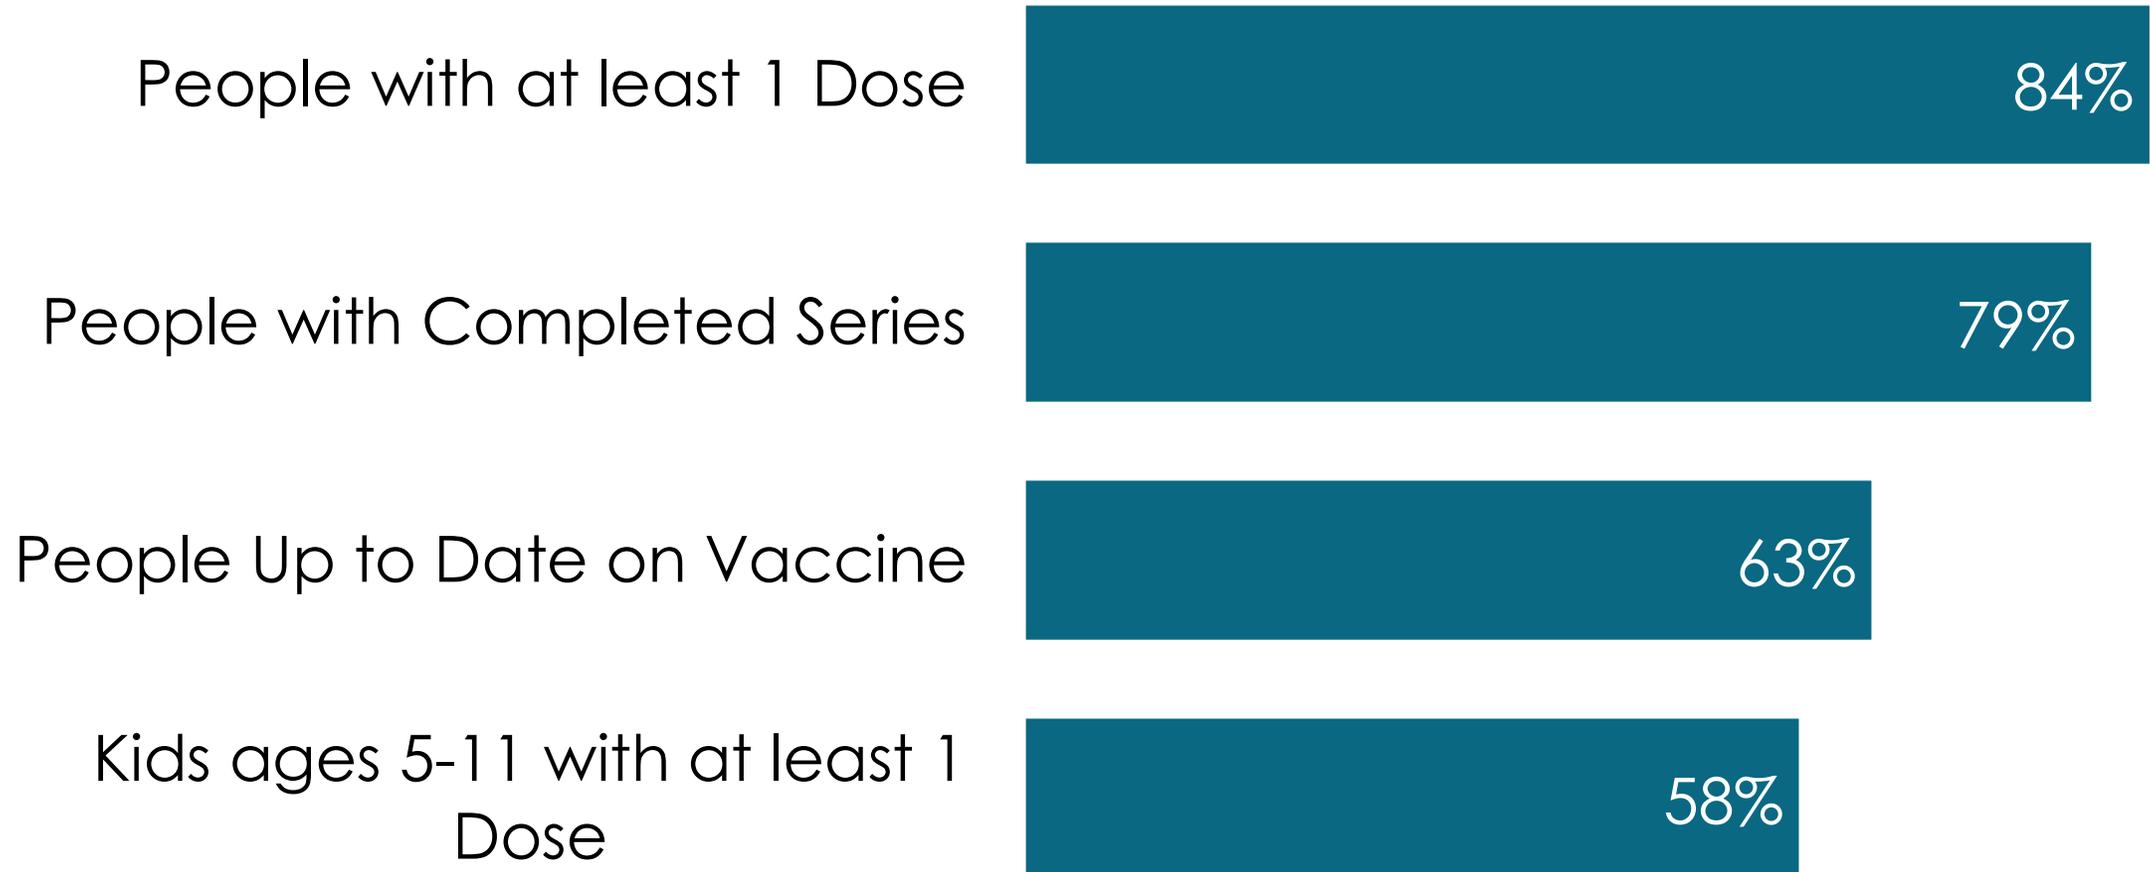

New Cases (per 100,000 population in the last 7 days)	Indicators	Low	Medium	High
Fewer than 200 Dane: Fewer than 158 cases per day	New COVID-19 admissions per 100,000 population (7-day total)	<10.0	10.0-19.9	≥20.0
	Percent of staffed inpatient beds occupied by COVID-19 patients (7-day average)	<10.0%	10.0-14.9%	≥15.0%
200 or more Dane: 158+ cases per day	New COVID-19 admissions per 100,000 population (7-day total)	NA	<10.0	≥10.0
	Percent of staffed inpatient beds occupied by COVID-19 patients (7-day average)	NA	<10.0%	≥10.0%

The COVID-19 community level is determined by the higher of the inpatient beds and new admissions indicators, based on the current level of new cases per 100,000 population in the past 7 days

We are currently classified as

Low

COVID-19 Vaccine

**WHERE
THINGS
STAND**

Vaccination Ended at Alliant on April 3.

Since May 2020, more than 111,000 vaccines have been given at the Alliant Energy Center.

Accelerated Labs are still testing at Alliant but in a new space.

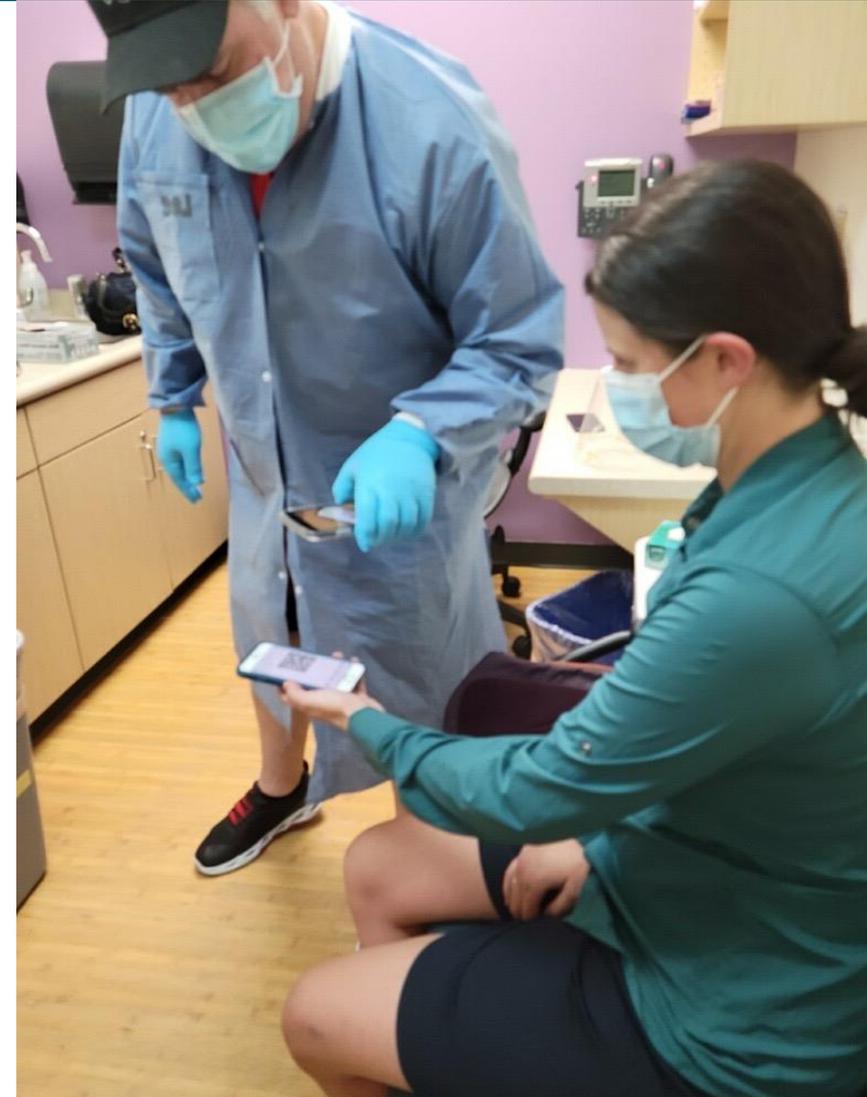

The Coliseum at
Alliant Energy Center
Every day, from 10-6

Second boosters authorized for some groups:

Adults 50+

Adults ages 18+ who received a primary dose and booster dose of Johnson & Johnson

People who are moderately or severely immunocompromised.

LOOKING

AHEAD

Looking Ahead

Continuing to monitor local COVID data.

We will continue to provide contact tracing, vaccination and testing services as long as we have funding to support this area of response.
