Amy,

Please note the following action of the Plan Commission from May 6, 2013 regarding the landmark designation for 511 N. Carroll Street:

24. 30068 – Plan Commission communication to the Landmarks Commission regarding the proposed designation of a meeting house/ boarding house at 511 N. Carroll Street as a local landmark.

On a motion by Ald. Zellers, seconded by Sundquist, the Plan Commission communicated support the designation of the property as a local landmark by voice vote/ other. In stating its support, members of the Plan Commission noted that while the building on the subject property had moderate architectural integrity, it has significant social history and personage worthy of landmarking. Members also encouraged staff to update the citywide survey of potentially historically significant properties.
