Here's another item for the TPC members, re: intercity bus zone on Langdon St. To help accommodate additional parking, we will eliminate the bus stop on WB Langdon St, farside of Lake St (in front of the Pyle Center). To compensate, we would work with Traffic Engineering to install a stop on northbound Lake St, between State St and Langdon St. This would also allow us to close the stop near the parking ramp on NB Lake St, south of State St.

Thanks!
