Subject: Proposed Orienteering Course at Elver

Caution: This email was sent from an external source. Avoid unknown links and attachments.

As a frequent skier at Elver and Madnorski club member, I support the addition of an orienteering course at Elver. In collaboration with Parks, we have put considerable effort and resources into improving the ski trails and grooming at Elver. One key effort is keeping walkers/hikers off ski trails when there is snow present. When designing the course, please keep it away from ski trails and include reminders to not walk on ski trails during the winter. Maybe people could do snowshoe orienteering in the winter and utilize the new snowshoe trails.

Thanks,
Finn Ryan
