

Madison Circus Space: Presents a 24-hour Circathon on June 17 & 18!

Madison Circus Space invites you to attend a 24-hour "Circathon" from 12pm on Saturday, June 17th to 12pm on Sunday, June 18th! All ages are welcome.

From our humble beginnings in an old warehouse to our current operations in a custom-built, state-of-the-art facility, MCS has come a long way! We want to give back to the community that has helped us grow, so come join us for 24 hours of family-friendly circus festivities as we turn 10. All activities will be FREE and open to the public!

Attractions will include artist performances, ambient aerial, drop-in classes for kids and adults, carnival games, fire spinning, and so much more! Weather permitting, we'll have things to do both outside and in. Our members will also occupy the space for 24 hours continuously as they train, socialize, and participate in challenges.

Concessions and merchandise will be available for purchase. Donations are encouraged. More info on scheduled activities online: <https://madisoncircusspace.com/event/24-hour-circathon/>.

This project is funded in part by a grant from the Madison Arts Commission, with additional funds from the Wisconsin Arts Board.

About Madison Circus Space

The mission of Madison Circus Space, a 501(c)(3) nonprofit, is to be a home for modern circus and movement arts and to foster appreciation for a variety of circus-related talent and creativity. Since 2013, Madison Circus Space has been cultivating a broad array of circus artists, producing homegrown performances, and hosting guest artists from around the world. Madison Circus Space emphasizes dance, creativity, fitness, and recreation for all ages, abilities, and aspirations, hosting classes, clubs, and performances that are affordable and open to the public. Madison Circus Space is the largest community of circus artists in Wisconsin, with 70 members, 50+ hours of weekly programming, and 16 public activities per month. To date, the organization has raised \$1,138,000 of their \$1.4 million capital campaign goal.
