buy their first home.

5. AGENCY EXPERIENCE AND QUALIFICATIONS

MACLT enjoys 20 years of experience providing permanently affordable housing for the good families of Madison. The Land Trust currently includes 64 households: 30 town homes within the award-winning Troy Gardens Cohousing community; 15 condominium homes at Anniversary Court on Madison's far east side; 13 single-family homes in the Camino del Sol neighborhood in Madison's north side; and 6 single-family, scattered homes located throughout the City. MACLT enjoys the support and counsol of seasoned Board members, and renew s itself on the energy of more recent representatives, all drawn from housing, policy and development professionals, as well as 30% representation by current MACLT homeowners. MACLT wishes a warmfarewell to former executive director Greg Rosenberg as he assumes a directorship with the National Community Land Trust Network. Incoming director Michael Carlson brings 10 years of affordable housing construction and development experience to his work with the Land Trust, having served on staff for five years building homes with the young people at Operation Fresh Start, as well as ten years combined experience as a volunteer and staff member in charge of land acqusition and project development for Habitat for Humanity of Dane County. MACLT submits its proposal against a backdrop of a negotiation for corporate affiliation with the good folks at Commonw ealth Development. Both Boards intend the affiliation to provide the long-term structural support needed to ensure the integrity of MACLT's 98-year-long land leases. Nevertheless, MACLT plans to develop the new opportunitites for permanently affordable housing latent within the Land Trust model, while building upon its history of successes.
