RE: Mohammed Hinnawi Entertainment License Application (aka Nile Restaurant) (File # 51908)

Alcohol License Review Committee,

On Monday, September 17th, Lt. Lori Chalecki, from the Madison Police Department, and I hosted a community meeting to discuss the Nile Restaurant's application for an Entertainment License (21+). The Nile is located at 6119 Odana Road. This meeting was noticed via post cards to surrounding businesses and via my City Blog. Attendance at this meeting was small and limited to some neighboring businesses. Assistant City Attorney Jennifer Zilavy attended the meeting as well.

Representing the Nile was its owner **Mohammed Hinnawi** and **Olegario Rodriguez**, a manager that Nile hired to manage the new Entertainment license business.

Neighboring businesses were neither supportive or unsupportive of this application. The general feedback was they were concerned about any issues this license might introduce to the area.

Mr. Hinnawi and Mr. Rodriguez explained they were applying for the license based on feedback from families that visit the restaurant. They wanted to be able to offer karaoke ("which customers could control on their own") and give customers the ability to reserve tables and perhaps hire a mariachi band. When asked why they were looking to extend their hours to 2am, they weren't able to articulate a clear case especially based on their suggested usages.

I have heard rumors that the Nile had events with a Live DJ previously. While preparing this letter to ALRC, I investigated those claims on Facebook. I was able to find over 21 different social media promotions and a page called "3 claves night club". I've included screenshots of those posts and the page. In 2017, The Nile was operating a night club with a Live DJ on several occasions.

I recommend the ALRC deny this applicant's application and take whatever steps necessary to investigate what appears to be a violation of their current license.

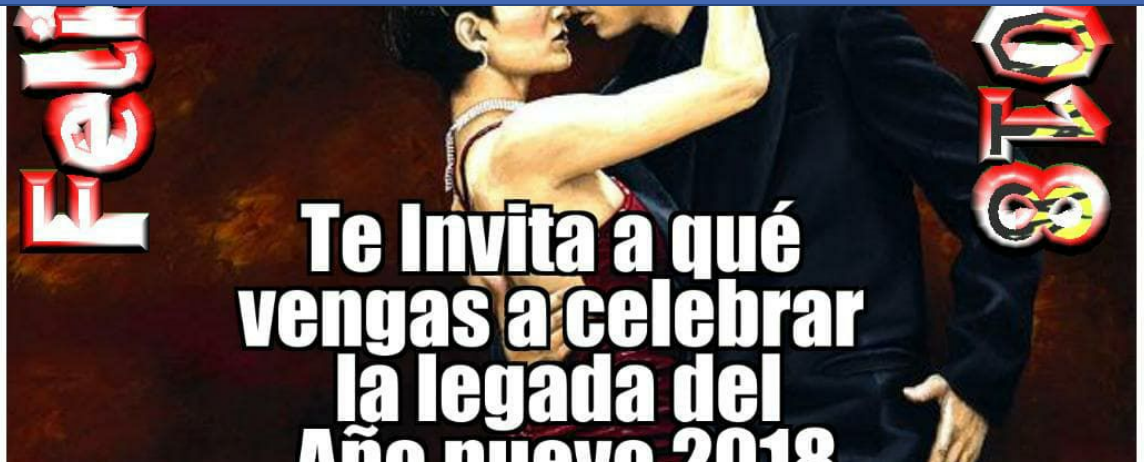

Thank you,
Alder Keith Furman
