**Subject:** Intersection of Hammersley Road and Whitney Way

Dear Bob:

We are not enamored with the proposed blockage of Hammersley Road at Whitney Way. It prevents those interested in making a left turn on Whitney Way or continuing across Hammersley Road at that intersection.

It will likely result in people making a U-turn on Whitney Way either at Hempstead Road or Dorsett Drive, which could become another traffic hazzard.

We would frankly favor installing a red light at the intersection, if necessary.

Best regards.
