Should we contact you?: Yes

Message:

My husband and I strongly oppose the option to eliminate 24 parking spaces on Winnebago St. We are two streets over on Dunning and parking is very tight on our street already. Division has no parking and Lafollette is one side only. With the coming co-housing and further construction at Union Corners, it makes no sense to eliminate actively used parking on Winnebago. I urge you to oppose it. Thank you, Noël and Steve Klapper
