Note 1: Crash data is from Wisconsin crash database maintained by Wisconsin Traffic Operations and Safety (TOPS) Lab.

Note 2: Crash data includes all roadways in the City of Madison limits, with some maintained by other agencies.

Fatalities and serious injuries down 29% from 2020 to 2022

We had successful two years, but still have a lot of work to do

Our work is not done until we achieve our goal of zero preventable traffic fatalities and serious injuries.
