Subject: Carpenters Support Additional Student Housing

Good Afternoon,

I am writing on behalf of local Madison union carpenters in support of Core Spaces LLC on tonight's agenda who is seeking approvals to construct additional student housing in downtown Madison. We endorse Core Spaces' approach to providing much needed student housing through the use of local union labor. Finding a developer who genuinely prioritizes the local economy is a rare occurrence, therefore we urge continued collaboration to further our shared goal of building strong communities in Madison.

Best,
