To whom it concerns,

East Mifflin Street is a bike boulevard. Many of our neighborhood children use this biking route to go to and from Lapham

School. Or to go back and forth to the child care school on the 1300 block of East Mifflin. Or to go back and forth to the

MyArts building. And soon to go back and forth to the soon to open WYSO (Wisconsin Youth Symphony Orchestra) building.

And sometimes families use this intersection to go back and forth to events at Breese Stevens Field.

We believe what is needed is a rapid flashing beacon light at this intersection.

Thank you very much for your time and consideration.

Sincerely,

Karen Banaszak and Jeff Reinke
