Both parties shall obey all governmental orders, rules and regulations related to the premises, including local housing codes.

POSSESSION/ABANDONMENT: Landlord shall give Tenant possession of the Premises as provided herein. Until the expiration date specified in the lease, and so long as the tenant is not in default, tenant has the right to exclusive use and possession of the premises, except as hereafter provided. Tenant shall vacate the Premises and return all of Landlord's property promptly upon the expiration of this Lease, including any extension or renewal, or its termination in accordance with its terms or the law. If Tenant abandons the Premises before expiration or termination of this lease, its extension or renewal, or if the tenancy is terminated for Tenant's breach of lease, Landlord shall make reasonable efforts to re-rent the Premises and apply any rent received, less cost of re-renting, to Tenant's obligations under this lease. Tenant shall remain liable for any deficiency. If Tenant leaves personal property on the premises after Tenant vacates or abandons the Premises, Tenant shall be deemed to have abandoned the property and Landlord shall deal with it as provided by the law, Wis. Stat. 704.05(5).

GUESTS: Tenant shall use the Premises for residential purposes only for Tenant and Tenant's immediate family. Neither party may (1) make or knowingly permit use of the Premises for any unlawful purpose, (2) engage in activities which unduly disturb neighbors or tenants in the building in which the Premises are located, or (3) do, use or keep in or about the Premises anything which would adversely affect coverage under a standard fire and extended insurance policy.

Tenant may have guests residing temporarily in the Premises if their presence does not interfere with the quiet enjoyment of other occupants, and if the number of guests is not excessive for the size and facilities of the Premises. No guest may remain for more than one week without written consent of Landlord, consent for which will not be unreasonably withheld. Tenant shall be liable for any property damage, waste or neglect caused by tenant's negligence or improper use of the Premises or the building or development in which they are located. Tenant is responsible for the conduct of guests or invitees, and financially responsible for any damages, cleaning costs or other liability resulting from the negligence of tenant's guests or invitees.

MAINTENANCE: Landlord, under Wis. Stat. 704.07, shall keep the structure of the building in which the Premises are located and those portions of the building and equipment under Landlord's control in a reasonable state of repair. Tenant agrees to fully cooperate with Landlord's performance of maintenance.

Tenant agrees to maintain the Premises under Tenant's control in a clean state. Tenant shall not commit waste, neglect the premises, nor damage the Premises during the lease term, normal wear and tear excepted. Tenant shall not, without written approval of Landlord, physically alter or redecorate the Premises, cause any contractor's lien to attach to the Premises, or alter the appearance of the Premises or the property of which it is a part. Landlord shall keep heating equipment in a safe and operable condition. Whichever party is obligated to provide heat for the Premises shall maintain a reasonable level of heating to prevent damage to the Premises and the building in which they are located.

Landlord shall give Tenant written notice of the parties' responsibilities regarding the maintenance of smoke detectors required under the rules of the Department of Industry, Labor and Human Relations and any applicable local ordinances and each party shall fulfill its responsibility under those rules.

BREACH/TERMINATION: Failure of either party to comply substantially with any material provision hereof is a breach of the Lease. Should Tenant neglect or fail to perform and observe any of the terms of the Lease, Landlord shall give Tenant written notice of such breach requiring Tenant to remedy the breach or vacate the Premises on or before a date at least 5 days after the giving of such notice, and if Tenant fails to comply with such notice, Landlord may declare this tenancy terminated and institute action to expel Tenant from the leased Premises without limiting the liability of Tenant for the rent due or to become due under this Lease. If Tenant has been given such notice and has remedied the breach or been permitted to remain in the Premises, and within one year of such previous breach Tenant commits a similar breach, this lease may be terminated if, before the breach has been remedied, Landlord gives notice to Tenant to vacate on or before a date at least 14 days after the giving of the notice as provided in Wis. Stat. 704.17. This provision shall apply to any lease term. If Landlord commits a breach of agreement, Tenant has rights under Wis. Stat. 704.07(4), Wis. Admin. Code Chap. ATCP 134, and local ordinance.

CODE VIOLATIONS/ADVERSE CONDITIONS: If the Premises or the building in which they are located are currently cited for uncorrected building or housing code violations, or contain conditions adversely affecting habitability (including lack of hot or cold running water, lack of operating plumbing or sewage disposal, unsafe or inadequate heating facilities, no electric service, unsafe electrical system, or hazardous conditions or structure) these are listed under Special Provisions, or a separate addendum to this Lease, and Landlord shall exhibit copies of any uncorrected code notices or orders to Tenant all before this Lease is signed or any deposit is accepted.

DAMAGE BY CASUALTY: If the Premises are partially damaged by fire, water, or other casualty, the Premises shall be repaired as soon as reasonably possible by Landlord, and rent abates to the extent the tenant is deprived of the full normal use of the premises. If the damage is so extensive as to render the Premises untenable, the rent shall abate until the repairs are made; or this Lease may be terminated by either Tenant or Landlord and the rent pro-rated to the date of damage unless Landlord proceeds promptly to repair or rebuild the premises. In the event the fire, water, or other casualty is caused by the negligence or improper use of Tenant, Tenant agrees to compensate Landlord for all costs incurred as a result of the damage, and rent shall not abate during the period of repair.

ENTRY: Tenant agrees to allow Landlord to enter the Premises at reasonable times to inspect the premises, make repairs, or show the premises to prospective tenants or purchasers with 24 hours advance notice, or anytime when Landlord has reason to believe a health or safety emergency exists. Tenant agrees that Landlord may provide Notice of entry to Tenant by telephone, E-mail, or in writing. **IT IS UNDERSTOOD THAT A REQUEST FOR MAINTENANCE BY TENANT GIVES LANDLORD PERMISSION TO ENTER THE PREMISES.** Landlord retains the right to enter the Premises for any and all emergency situations without prior notice. Neither party shall add or change locks without providing the other party access to the Premises. Improper denial of access to the Premises is a material breach of the Lease.
