Subject: garage renovation at 137 North Prospect
Date: Wednesday, April 22, 2015 4:31:24 PM

I am writing to urge approval of the project to renovate the garage at (I think) 137 North Prospect, Madison 53726.

I am a neighbor at [REDACTED] North Prospect, two houses away, on the same side of the street, and sharing our common back alley. We have been in our house since 1969.
