

Petition Opposing Sidewalk Installation on Gary Street (East of Elinor)

SUMMARY REQUEST:

- ☒ Curb & Gutter Only
☐ No Sidewalks

Street: Gary St. East of Elinor
 # of Signatures: 22 total
(3 on page)

We, the undersigned residents of Gary Street (East of Elinor) request that the city proceed with street, curb and gutter improvements only rather than sidewalk installation. Please see the attached letter for detailed explanation and alternative safety solutions.

Specific concerns include:

- Loss of on-street parking creates accessibility challenges for residents, visitors, and service providers
- Sidewalk and terrace maintenance places undue burden on residents with physical and financial limitations
- Safety concerns from speeding traffic could be addressed through improved signage and traffic calming measures

Print Name	Signature	Address	Cost Burden*	Maint. Difficulty*	Additional Concerns
------------	-----------	---------	--------------	--------------------	---------------------

*Cost Burden: City assessment/billing for terrace installation would create financial burden

*Maint. Difficulty: Unable to physically maintain sidewalk due to age/disability/health limitations
