

CITY OF MADISON TRANSPORTATION COMMISSION ACTION ITEM DETAIL – OCTOBER 14, 2020

ACTION TITLE: Approving the installation of a new bus stop, boarding pad and bench at 449 Toepfer Avenue.

PRESENTED BY: Metro Transit, Tim Sobota

ACTION SUMMARY

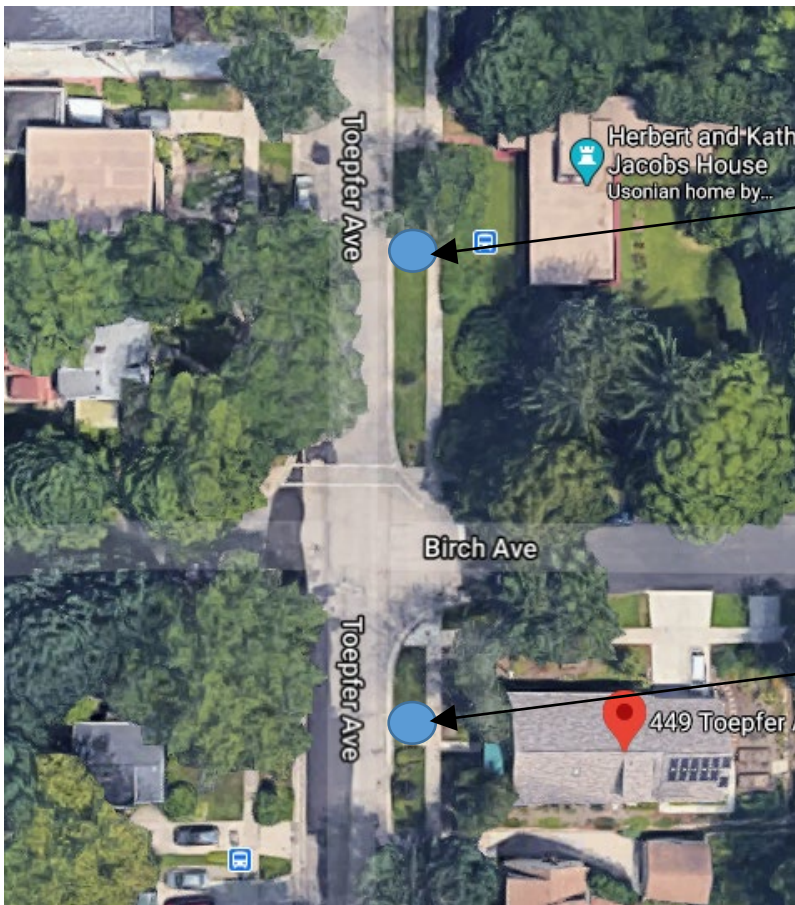

Approval of the placement of a bus stop and ADA accessible boarding pad at 449 Toepfer Ave.

BACKGROUND

With the reconstruction of Toepfer Ave, several bus stops were closed and new bus stops created. One of the new stops was planned at 441 Toepfer Ave, but was later determined that because of the status of 441 Toepfer Ave. as a historical property it was not possible to place the stop there. Therefore, the stop is proposed to instead be at 449 Toepfer.

DISCUSSION

The adjacent property owner at 449 Toepfer Ave. has raised a concern with the proposed location. Shifting to another location would adjust spacing between stops to be less than ideal. Also, it is likely that adjacent property owners would have similar concerns.

Original Proposal

Revised proposal
