Buildings Proposed for Demolition

Motions for Advisory Recommendation on Demolitions

- a. The Commission finds that the building(s) has no known historic value.
- b. The Commission finds that the building(s) has historic value related to the vernacular context of Madison's built environment, or as the work/product of an architect of note, but the building itself is not historically, architecturally or culturally significant.
- c. The Commission finds that the building(s) has historic value based on architectural significance, cultural significance, historic significance, as the work/product of an architect of note, its status as a contributing structure in a National Register Historic District, and/or as an intact or rare example of a certain architectural style or method of construction.
