Business is located cross corner from Camp Randall. I have been in business for coming up on 2.5 years. I have had customers come in and ask if we serve beer, then leave.

I want to be able to provide the option for customers to enjoy a beer or wine while they eat some great food. I believe that it will be beneficial to the business financially and provide more jobs in the community. As a small business in the restaurant industry close to campus, college area, there are very slow times and hard times. Having another option that would compliment the food we serve could be helpful.

All employees will be required to be certified to serve alcoholic beverages safely. We want to provide a safe and enjoyable environment and experience.
