This is a detailed topographic map of the central Wisconsin region around Lake Mendota and Lake Monona. The map shows various municipalities and their boundaries. Key locations include the Village of Waunakee to the north, City of Middleton to the west, Village of Maple Bluff to the east, and Village of Shorewood Hills south of Lake Mendota. Other nearby cities are Verona, Richburg, McFarland, Monona, Cottage Grove, and Sun Prairie. The map uses color to represent elevation, with green indicating lower elevations and brown/yellow indicating higher elevations. Water bodies are shown in blue. Roads are depicted as grey lines with route numbers. Several areas are highlighted with colored outlines: a large orange outline covers much of the western and southern parts of the map, while several smaller pink/purple outlines highlight specific parcels or areas within the eastern part of the map, particularly near Lake Monona and the City of Monona. A red "DRAFT" watermark is visible in the top left corner.

Legend

- # Soils

-
- A horizontal number line with a black segment from 0 to 7,000 and a white segment from 7,000 to 14,000. The word "Feet" is at the right end.
