Hello Transportation Commission,

Regarding the John Nolen Project - would it be possible to add a bike path to the west side of John Nolen due to not having an official path, walking or for bicycling, around Monona Bay? I really can't figure it out why a lot of people who walk, or bicycle HAVE to cross all of the lanes of John Nolen Drive to walk all of the way around Monona Bay. That's unless people cross at Wingra Creek under John Nolen Drive.

Do the railroads own too much of the right of way?

Thanks, and good luck with the Project.
