RE: Legistar ID 87799; Accela 'LNDUSE-2025-00033' -- Approval of a conditional use at 901 East Washington Avenue

Dear Zacharie Gray:

At its May 12 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your requested conditional use for a restaurant-nightclub and amplified sound in an outdoor eating area at 901 East Washington Avenue. In order to receive final approval of your request, and for any other permits that may need to be issued for your project, the following conditions shall be met:

**Please contact my office at (608) 243-0455 if you have any questions regarding the following two (2) items:**

1. That all outdoor amplified sound shall end by 7:30 pm per the letter of intent, or with the closing of the Outdoor Eating Area, whichever is earlier. An administrative minor alteration process as defined in the Zoning Code may be considered to extend the permitted hours.
2. That Outdoor Amplified Sound events are limited to once per week per the letter of intent. An administrative minor alteration process as defined in the Zoning Code may be considered to extend the number of weekly events.

**Please contact Jacob Moskowitz at (608) 266-4560 if you have any questions regarding the following one (1) item:**

3. Hours of operation shall end at 9:00 p.m., unless extended as part of a future conditional use approval.

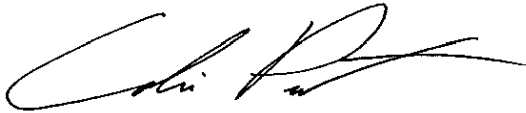

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining your conditional use:**

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate [site plan review application](#) and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at [SPRapplications@cityofmadison.com](mailto:SPRapplications@cityofmadison.com). (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email [zoning@cityofmadison.com](mailto:zoning@cityofmadison.com) regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. The conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to one (1) year from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
5. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt  
Planner
