Subject: Neighborhood Plan

Jule,

A quick note to express my support for the Midvale Heights – Westmorland Joint Neighborhood Plan.

Our joint Committee, the consultant team and the residents of both neighborhoods have contributed a significant effort into the development of the plan over the last two years. We are all proud of the final product and anticipate acceptance and approval of the City Council so that we may begin the steps toward implementation of our priority goals.

I also want to thank you for all of your efforts and guidance in development of the plan.

Charlie Quagliana
