
INTEROFFICE MEMORANDUM

TO: TRANSIT AND PARKING COMMISSION
FROM: ADA SUBCOMMITTEE TO THE TRANSIT AND PARKING COMMISSION
SUBJECT: MOTION REGARDING PARATRANSIT SERVICE TO THE JEFFERSON
DATE: 5/6/2014
CC:

Fred Kropp from The Jefferson, an independent senior living facility, addressed the 2/12/14 meeting of the Transit and Parking Commission about paratransit service. The matter of granting an exception to the paratransit boundary rule, since The Jefferson is outside the boundary, was referred to the ADA Transit Subcommittee (ADATS). Mr. Kropp attended the 4/21/14 ADATS meeting. Members made this recommendation to the TPC.

Alder Subeck moved that ADATS recommend to the TPC that they pursue a bus route extension in order to accommodate The Jefferson with public transportation and paratransit service within the ¾ mile paratransit boundary and consult with Alder Skidmore. Mr. DuRocher seconded.

The motion carried by voice vote/other.
