2. NO GRADE CHANGE: Following the initial construction of improvements within the Maintenance Areas no change in the grade within the Maintenance Area shall be made without the prior written approval of the City of Madison Engineering Division ("City Engineer")

3. IMPROVEMENTS MAINTAINED BY THE UNIVERSITY: Upon completion of the initial construction of improvements within the Maintenance Area, the University agrees to complete the following maintenance as needed, or as may be reasonably required by the City, within the Maintenance Area:

The University shall obtain all necessary permits and approvals prior to constructing or reconstructing any improvement within the Maintenance Area.

5. REVISIONS BY THE CITY: The City has the right to construct or reconstruct any improvement in the Maintenance Area and to construct in such a way that differs from the initial construction. 8. DAMAGE: The City shall not be responsible for the repair of any damage to the improvements within the Maintenance Area, regardless of who or what caused said damage.

C. LEGAL RELATIONS

It is not the intent of either party to this agreement to waive the provisions of Wis. Stats. ss. 893.80 or 893.82 or any other applicable immunity, protections, or limitations of liability applicable to either party which may be provided by law.

The University, an agency of the State of Wisconsin, provides liability coverage for its officers, agents, and employees consistent with Section 895.46(1) and 893.82 of the Wisconsin Statutes. The University's employees who participate in the activities resulting from this Agreement are employees of the Board of Regents of the University of Wisconsin System. Although the liability coverage provided by the State of Wisconsin under Wis. Stats. sec. 895.46(1) is self-funded, and continuous, it is subject to the damage cap in Wis. Stats. sec. 893.82(6). Such liability coverage includes, but is not limited to claims, demands, losses, costs, damages and expenses of every kind and description (including death), or damage to persons or property arising out this Agreement and founded upon or growing out of the acts or omissions of any of the employees of the University while acting within the scope of their employment where protection is afforded by Sections 893.82 and 895.46(1) of the Wisconsin Statutes. The University shall provide a copy of its standard coverage letter to the City upon request.

2. TERMINATION: Either party shall have the right to terminate this Agreement with 30 days written notice to the other party.

3. SEVERABILITY: If any part or parts of this Agreement shall be held unenforceable for any reason, the remainder of this Agreement shall continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

4. BINDING EFFECT: The covenants and conditions contained in this Agreement shall apply to and bind the Parties and their heirs, legal representatives, successors and assigns. Nothing herein shall prevent the University from transferring their interests in the Property and, upon such transfer, the obligations of such University under this Agreement shall become the obligation of the transferee.

5. COMPLIANCE WITH APPLICABLE LAWS: The University shall become familiar with, and shall at all times comply with and observe all federal, state, and local laws, ordinances, and regulations which in any manner affect the University's, and its agents and employees, conduct under this Agreement. The University's failure to comply with any such laws, ordinances or regulations shall be a default subject to Section **Error! Reference source not found.** of this Agreement.

6. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes any prior understanding or representation of any kind preceding the date of this Agreement. There are no other promises, conditions, understandings or other agreements, whether oral or written, relating to the subject matter of this Agreement. This Agreement may be modified only in writing and must be signed by the University and the City.

7. CHOICE OF LAW, VENUE, AND FORUM SELECTION: This Agreement shall be governed by and construed, interpreted, and enforced in accordance with the laws of the State of Wisconsin, without regard to conflict of law principles. For any claim or suit or other dispute relating to this Agreement that cannot be mutually resolved informally, the venue shall be Dane County, Wisconsin, and the parties agree to submit themselves to the jurisdiction of a court of competent jurisdiction in said venue, to the exclusion of any other forum that may have jurisdiction over such a dispute according to any law.

8. WAIVER: The failure of any party to enforce any provisions of this Agreement shall not be deemed a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

9. RUN WITH THE LAND: All the terms, conditions, covenants and other provisions contained in this Agreement, including the benefits and burdens, shall run with the Owner's Property and shall be binding upon and inure to the benefit of and be enforceable by the University and the City and their respective successors and assigns.

10. DEFAULT/REMEDIES: If the University fails to complete any maintenance as required by this Agreement within a reasonable time period, the City has the right to complete the maintenance and charge the costs of such maintenance either as a direct charge to the University or a special charge or special assessment levied upon the Owner's Property.

11. NONDISCRIMINATION: In the performance of the services under this Agreement the University agrees not to discriminate against any employee or applicant because of race, religion, marital status, age, color, sex, disability, national origin or ancestry, income level or source of income, arrest record or conviction record, less than honorable discharge, physical appearance, sexual orientation, gender identity, political beliefs, or student status. University further agrees not to discriminate against any subcontractor or person who offers to subcontract on this contract because of race, religion, color, age, disability, sex, sexual orientation, gender identity or national origin.

12. AUTHORITY: The University represents that it has the authority to enter into this Agreement and the person signing on behalf of the University represents and warrants that he or she has been duly authorized to bind the University and sign this Agreement on the University's behalf.
