Dear Alder Palm,

7-7-14

This letter is to say I do not want Wiggie's Tavern to be allowed to stay open late again.

I've been in my house 20 years. It's close to Aberg. I easily see the people come & go from Wiggie's parking lot.

He has not incorporated the mandated safety measures he was supposed to in order to get his liquor license to go late. Indeed, the very few times he has stayed open later than 11pm, there have been only 2 or 3 cars in the lot.

If Wiggie's is allowed to stay open again, he needs to have the security mandates put in place.

Please check police reports from 2008-2010 for all that were as a result of the customers of Wiggie's

Thank you,
