City of Madison

Zoning Division

210 Martin Luther King Jr. Blvd.

Madison, WI 53703

Dear Members of the Zoning Commission,

I am writing to express my intent to apply for a Conditional Use Entertainment License for the property located at **406 N Frances Street, Madison, WI 53703**. As the owner of Jays, I am seeking approval to host live music events within our establishment to enhance the great Madison bar scene.

We plan on having live music performances by one or two artists at a time. These performances would include amplified acoustic and electric guitars, microphones, and occasionally, drums.

The entertainment we plan to host will align with the standards set forth by the City of Madison, ensuring a positive experience for all patrons and minimizing any potential negative impacts on the surrounding neighborhood. Specifically, we plan to feature artists like those stated above on select nights and adhere to all noise regulations, operational hours, and security protocols as required by the conditional use license. Our operational hours are 7 PM-2 AM Tuesday through Thursday and 3 PM-2 AM Friday/Saturday.

We are committed to working closely with the city and neighbors to ensure that our operations are respectful of the local community and contribute positively to the area's vibrancy. Our goal is to create a welcoming and safe environment for patrons of legal drinking age to enjoy our entertainment responsibly.

We believe that granting this license will provide additional opportunities for local talent, support the local economy, and enhance the entertainment options available to residents and visitors in the area.

If you require any additional information or documentation in support of our application, please feel free to contact me directly. I look forward to discussing this request with you in further detail at your earliest convenience.

Thank you for your time and consideration.

Sincerely,  
Jay Wanserski  
Owner
