### **Unfinished Business**

4. 89583

425 N Frances Street and 450 W Gilman Street - New Mixed-Use Building in DC Zoning. (District 2)

The motion passed with the following findings and conditions:

- On balance, the UDC finds that the proposed development is consistent with the Downtown Urban Design Guidelines with the recommended conditions being met, including:
  - That the pool overhang shall be revised to taper back to the façade of the towers on either side of the pool to create positive finish at the top of the building.
  - o The garage door shall be revised to reflect a more transparent/glazed storefront-type of garage door giving consideration to maintaining a similar mullion pattern (perhaps more vertical) to the storefronts along the ground floor.
  - o Continued review of lighting can be completed administratively for the rooftop lighting.

A motion was made by Klehr, seconded by Mbilinyi, to make an advisory recommendation to the Plan Commission to Approve. The motion passed by voice vote/other.

### **New Business**

5. 90077

124 E Gorham Street - Residential Building Complex. (District 2)

The motion passed with the following conditions:

• The applicant should continue to give consideration to the design of the front stairs and explore ways to minimize the run and create a landing (if possible), and to increase the eave overhang (deeper soffit) on the front of the building, and incorporate smaller-scale ornamental trees in the courtyard area where feasible.

A motion was made by Klehr, seconded by McLean, to make an advisory motion to the Plan Commission to Approve. The motion passed by voice vote/other.
